Re: Naval Weapons Station, Yorktown, Va.
Master Project Plans, Site Screening Process Guidelines
Review of Navy's July 21, 1994 Response letter

Dear Ms. Norton:

The U.S. Environmental Protection Agency (EPA) has reviewed the Navy's July 21, 1994 letter responding to EPA's May 9, 1994 review comments concerning the draft *Site Screening Process Guidelines* for the investigation of identified Site Screening Areas at the Naval Weapons Station-Yorktown NPL facility (WPNSTA). Based upon this review, the content of the Navy's July 21, 1994 response letter is acceptable to EPA. Accordingly, EPA awaits the submittal of the Navy's draft final *Site Screening Process Guidelines* for the WPNSTA.

If you have any questions regarding the above, please feel free to call me at (215) 597-1110,

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert Thomson", is written over a horizontal line.
